November 13, 2008

The Honorable Jan Brewer
Secretary of State
1700 Washington, 7th Floor
Phoenix, AZ. 85007

Estimada Secretary Brewer,

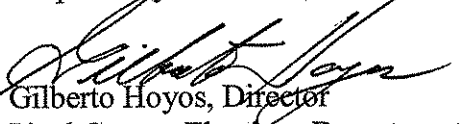

In accordance to A.R.S. 16-602 Pinal County conducted the Hand Count of ballots immediately after the November 4, 2008, General Election.

The Pinal County Political Chairpersons submitted their party representatives in a timely fashion before the statutory deadline. The eight named members of the hand count were instructed on the procedures of the hand count on Wednesday, November 5, 2008. The actual hand count started at 12:00 noon on Thursday, November 6, 2008 and was successfully completed by Monday, November 10, 2008. The manual count of the pertinent contested offices included ballots cast at the polls as well as Early Ballots.

We are happy to inform you that the hand count did not discover any major differences between our electronic vote tallying machines and the manual count. For your review we have attached a summary of the outcome of the manual audit.

Please feel free to call me if you have any questions or additional information if required.

Respectfully submitted,

Gilberto Hoyos, Director
Pinal County Elections Department
